Hello,

I would like to register my company based on: Company Services.

However, I have some questions. First: I am an e-resident; is the process still valid for me?

Second: Regarding the annual statement, should I file it 6 months before the end of the fiscal year? If my company was formed in January of this year, in that case, I would have already missed the deadline for this year, correct? How do I comply with this specific requirement?

Kind regards,

Estevam Santos, Rüppellz
