Teema: Oero International OU_ Request about employee

Good day,

We are Oero International OU
Parda tn 5-413, Kesklinna linnaosa, Tallinn, Harju maakond, 10151, Estonia
Register number 14696241
We have a license FVT000089 for Financial services, providing a virtual currency service since 13.08.2020

We have a question to be considered please:
Can you inform us if we are available to employ a foreigner as a payment operations manager?
Currently we would like to hire a person from Russia. She will have a contract with us and will work remotely.
Do we need to inform anyone about this or are there any restrictions for this role in the company?

Looking forward to hearing from you.

Thank you
